Fresher's Party 2019-20

Fresher's Party in any college is an event which every student eagerly awaits from their time of admission. The 31st of August 2019 was a memorable day in the life of every fresher of Hotel Management batch 2019-20 at SDGI Ghaziabad campus. The fresher's day was filled with excitement, joy, music, enthusiasm, laughter and happiness. The dress code for the fresher's day was "Dress Your Best". The celebration started at sharp 10:30 A.M at the MP (Amphitheater) by our anchors Ms. Muskan and Mr. Manish with the warm welcome of all the dignitaries and jury present in the function.

The event started with solo Dance performances by some of the best Dancers of second year. After this all other participants of this morning came up with their unique ramp walk in pairs. There were about 15 participants including 5 girls and 10 boys. They introduced themselves one by one in the allotted time which was 1 min per contestant. All of them were impressive in their own way.

After this, all the 15 participants came up on the stage with their hidden talent and performed one by one. Second round of performance went on very well. Two dance teams performed after this, which provided jury with sufficient time for deciding the results. The dance performance was very much exciting to watch.

Next but not last a skit was performed by the first year students related to hospitality industry. It was well scripted and students have shown their acting skill. It was appreciated by all the SDCHM students and faculty members including the guest of Honor.

Once the results were out, it was the stage of achievement for the contestants. The winners of Mr. and Ms. Fresher were RHYTHM and EKTA from B.Sc. HHA and VISHAL and SAHIBA, respectively. The other awardees were Mr. Abdul Kadir & Ms. Gauri. All awards were given by the jury to the respective students, with the welcome gifts to all, including sachets and gifts for Mr. and Miss. Fresher along with the Crowns & sash.

Transport - Tempo Traveler & Buses

Under the prescribed syllabuses of AKTU Hotel Management and NCHMCT, students of Bachelor in Hotel Management (1st to 4th Year) were required to visit tourist places under the subject of Hotel Management to explore their knowledge in “Heritage monument” & “ food” culture in Tourism. It was our great pleasure to visit Manali, Kullu, Kasol and Manikaran. They have explored historical places like Manikaran Sahib Gurudwara and tasted food of other cuisines.

We would like to express our sincere thanks and gratitude to Respected Chairman sir, Vice-Chairman Sir and department of Hotel Management College for providing such an opportunity to make us familiar with the culture of India. We would also like to thank Mr. Alok Prasad (Dy. Director) for his help, support, interest and valuable suggestions during the entire Tour and his stimulating encouragement in this writing.

The trip was organized by SDCHM for five days and four nights. Kullu and Manali are truly a nature lover's paradise. These places promise an abundance of scenic beauty, temples, monasteries and a lot of adventure activities for visitors.

The beauty, weather, and culture of Manali were totally different and unique from other hill stations. We have travelled to many other hill stations in India, but when we visited Manali for the first time we realized that Manali is the best out of all the places that we have visited so far. On our visit to Manali we found that Manali hosts a lot of adventurous sports like riding the ATV, paragliding and white water rafting in the Beas River at Kullu. Though we had to spend hours in the traffic at times, the wait was worth it. The most exciting activities on the trip were rolling in the zorbing ball at Solang Valley, river rafting, paragliding and the ATV rides! The trek to the Vashisht hot water springs and the visit to the monastery and the Hidamba temple were truly remarkable experiences.

The pleasant weather added to the charm of the trip and enabled us to relish the delicious food arranged during the trip. We all spent five days in this beautiful place and we had fun and adventure in the lap of nature. We also went for shopping on the roads of Manali where when we got an opportunity to explore the local market. We made new friends and we had our share of playing pranks and enjoying with each other.

All the recreational activities we were engaged in these days, refreshed us and now we feel much more active than earlier and we have wonderful memories to cherish.
